

What's the WORD?

IN THIS ISSUE

- I. Scriptural Passage
- II. Upcoming January Events
- III. Welcome Message
- IV. Testimonials from the Core Fellowship Retreat
- V. Introduction to the Youth and Young Adult Leadership

SCRIPTURAL PASSAGE

"But I say, walk by the Spirit, and you will not gratify the desires of the flesh." - Galatians 4:6

Paul became aware of the persuasion and influence of a false message in the churches of Galatia that was corrupting the spiritual walk of the believers. Here, Paul encouraged the believers in the churches to follow the leading of the Holy Spirit so that they are not led by their fleshly desires.

We make room for our flesh to influence us when our hearts are empty of His presence. As we have entered 2023, let us hide the Word in our hearts so that we will be influenced by scripture in our decision-making and be led by the Holy Spirit in our actions.

UPCOMING JANUARY EVENTS

- January 2nd - 6th - Church Revival
- January 7th - Core Fellowship Movie: "Avatar: The Way of Water"
- January 15th - Praise & Worship Night
- January 20th - 22nd - Jeff Owusu's Funeral
- January 23rd - 27th - Church Prayer Service
- January 29th - Cell Group Meeting
- Tuesdays - Bible Studies at 7:30 PM
- Fridays - Prayer Meeting at 8:00 PM

HAPPY NEW YEAR!

We thank God for ushering us into the year 2023. Starting this year, in an effort to have open transparency and keep everyone in the know, we will be sending monthly newsletters to inform the group of what is happening within the Youth and Young Adult (YYA) Ministry.

Within this issue, we introduce you to your new Youth and Young Adult Leader, Brother Derick Abbey, and leadership board for the next two years.

Each quarter, we will have various activities focusing on building up the foundation in our knowledge of God through scripture, serving our community inside and outside the walls of our CLG ministry, building bonds with one another through fun activities, and preparing our hearts for the move of God at our retreats and revivals.

MISSION STATEMENT

“

Nurturing hearts in the knowledge of God through His Word, Prayer, Community, and Service

”

Last month, we ended 2022 with the Core Fellowship Retreat which focused on the theme "Introspection" and the scripture 2 Cor 13:5. We had an amazing turnout over the three days as we sat under teachings and participated in group activities. In summary, we learned the importance of evaluating our walk with God and that "after we look inward we are called to look upward to Christ" for sanctification. (Quote from Brother Martin Owusu's workshop.)

We had 79 youth and young adults in attendance the last night of the retreat! Thank you to all who attended and those who invited their friends to join us.

Let us keep the fire burning and pushing further in the power and presence of God in our individual and corporate worship!

TESTIMONIALS FROM THE CORE FELLOWSHIP RETREAT

Do you have any testimonies that you would like to share?

"God has been showing me in this retreat not to focus on myself to improve, but to focus on Him. The theme really hit me, especially when the worship songs came. It helps me to look at God more personally."

"I have seen a very positive change in myself after the retreat."

"Greater understanding of God"
